No. C15-4020-LTS

**ORDER**

---

This case was reassigned to me on February 17, 2016. At that time, I hoped it would be possible to keep the then-existing trial date of August 8, 2016. As such, I entered a trial-setting order (Doc. No. 58) maintaining that date.

Unfortunately, other scheduling demands now make it apparent that I will be unable to preside over a three-week<sup>1</sup> trial starting August 8. As such, trial is hereby **continued**. I will conduct a status conference by telephone on **May 11, 2016**, at **3:00 p.m.**, to select a new trial date and take up any other matters the parties may wish to address. Counsel for all parties are directed to call the court's bridge conference

---

<sup>1</sup> In the scheduling order and discovery plan (Doc. No. 18), the parties estimated that 15 court days (i.e., three weeks) will be needed for trial.

telephone line at 877-402-9753, use access code 4189501#, press # to enter as a participant, and enter security code 1230# to participate in the conference.

**IT IS SO ORDERED.**

**DATED** this 25th day of April, 2016.
